

Miscellaneous

This is used for but not limited to the following: retaining walls, elevation changes to property, swimming pools, concrete driveways, septic tanks, sheds under 10 square meters

Include in package:

1. **Development Permit Application**-Fee \$25.00
 - Indicate the location- Civic address and Beach, or Legal Land Description
 - The Applicant contact information
 - The property owner name (if different than the applicant)
 - The proposed development i.e.- bring in 10 yards of fill to build up low spot
 - Date and sign form

2. **How to draw a site sketch** (sample attached)
 - Indicate north with an arrow
 - Location of all four property pins
 - Indicate the road and /or the lake
 - Location and size of all existing and proposed buildings and structures including all front, sides and rear setbacks
 - Location and size of access to site including parking plan (must have parking area for two vehicles).
 - The method and location for onsite sewage disposal facilities and for water/well

3. **How to draw a drainage and landscaping plan** (sample attached- used when adding more than 10 yards of fill)
 - Clearly demonstrate site development will not adversely affect adjacent properties
 - Clearly demonstrate natural drainage patterns will not be affected

4. **Contractor/Subcontractor list**- The contractor list must state all contractors from site preparation to the completion of your project. All contractors you hire must be licensed to do business in the District of Lakeland #521. A list of licensed contractors can be found on our website at www.lakeland521.ca under the Business Directory. It is the home owners' responsibility to ensure that all contractors hired have a business license or have them contact our office to obtain a business license.

5. **Permit Issuance** – The District of Lakeland #521 will contact you once the permit is ready to be picked up. The Development Department will respond to your application within 10 business days. A Conditions List must be read and signed by the property owner or an agent acting on his behalf. The property owner or agent will be responsible to ensure all contractors are informed of conditions pertaining to permits issued.

General Information

- **Septic Tanks & Plumbing Permits** – These permits can be obtained at the District office.
- **Wells** – If you are planning on digging a well you will need a Development Permit from the District.
- **Parking** – The District requires each residential lot to have 2 parking spaces.
- **Lighting** – *Council shall require that site and other outdoor lighting for new residential construction incorporate principles, techniques and standards consistent with the current version of the International Dark Sky Lighting Code Handbook for outdoor lighting in the EI Environmental Lighting Zone, as defined by the International Commission on Illumination. (BYLAW NO. 14-12). The web address is www.darksky.org*
 - *The maximum site coverage is the portion of the site that includes all roofed areas of all buildings including porches, verandas, garages, carports, membrane covered structures and all accessory buildings, decks, footpaths, driveways, steps, landings, in ground swimming pools, and other impervious surfaces. (BYLAW NO. 15-2012)* The maximum site coverage in R1 Residential zone is 50%
 - Definition for front and rear yards is as follows:

<u>Lakeshore sites</u>	<u>Non Lakeshore sites</u>
“Front yard is the roadside”	“Front yard is the roadside”
“Rear yard is the lakeside”	“Rear yard is the backside”
